

Make an I-Spy Book

Put a writing box at the top of the Page

Write in it:

Find something beginning with E

Open the Graphics folder.

1

E

Put lots of pictures on the page. But only ONE thing beginning with the letter E

Right click in the writing box you made and then click copy.

Make a new page.

Click on Paste

E

In the writing box change the letter E for another letter.

1

ABC

Put more pictures, but only ONE beginning with your new Letter.

8

Make a book with 8 pages. Save your work.
